Account

Health Resources and Services Administration (HRSA) - Health Facilities and Services

Project Information

Project Name:

Campus Transformation Initiative at Little Company of Mary

Amount Requested:

\$1,500,000

Project Description:

The scope of this project is the construction and equipping of a new 295,000 square foot West Pavilion to replace the original patient tower built in 1930. The Campus Transformation Initiative will relocate and bring up to date services from the two oldest buildings and house the area's first comprehensive women's health center - the Women's Center for Life and Health. The new West Pavilion facility will also include new Labor and Delivery, Obstetric Beds and neonate Nursery beds, replacement of Maternal Fetal Medicine, and new space for medical/surgical patients; and a pharmacy and laboratory, among other new facility functions. The project will begin in the spring of 2010 with the start of utility relocation; occupancy is anticipated by Fall 2012.

Intended Recipient of Funds

Little Company of Mary Hospital and Health Centers

2800 W. 95th Street

Evergreen Park, IL 60805

Explanation of the request:

The new modern facilities and state of the art equipment will provide taxpayers with high quality, patient-centered, cost-effective care. In addition, the job creation numbers are significant for the region in a challenging economy, and the construction of the new facility will provide economic benefits to the local region.
